_____)	

Counsel for plaintiff has been making informal requests of my secretary to continue the settlement conference, in violation of the Local Rules and my Order. See Local Rule 7-11. To the extent that plaintiff is asking for a short continuance of the settlement conference, the request is **DENIED** for two reasons. First, plaintiff's claim that he has a unspecified personal matter to attend to is not an adequate grounds for continuing a conference that has been scheduled for a long time. Secondly, I do not have the ability to grant a short continuance. My next available settlement conference dates are in February and Judge

1 Breyer's Order requires that this conference be completed by
2 January 7, 2010. Consequently any request for a continuance
3 will have to be addressed to Judge Breyer.

4 To the extent that plaintiff is seeking to be excused from
5 personally attending this settlement conference, that request is
6 **DENIED.**

7 Dated: October 28, 2010
